## **CW Pre-approved Puppy Socials @ The Dog Shoppe**

Congratulations on your new puppy! Attending Socials are a great way to work on socialization with your new addition. The more you can expose your puppy to the better they will be for their lifetime. These classes are only open to my clients and their dogs who have graduated The Basics. This class is NOT open to the public unless your dog is UNDER 6 months old and pre-registered.

You will be required to fill out a Pre-Registration form, sign a waiver, submit your pup's vaccination records and sign up for a future class of The Basics. Once your puppy is over 6 months old you will no longer be eligible to attend Socials until you have graduated The Basics.

Please arrive 10 minutes prior to your Social. The doors will be locked once we start and not opened until the Social is finished.

You will be expected to also walk for the full 30-minute Social Class. Our movement helps the dogs keep moving in a nice flow. Children under 16 will not be permitted.

Once the leashes are off you will not be permitted to look, talk, touch or correct any dogs including your own. CW Staff will be there to assist any dogs not ready to be let off-leash and keep the peace during Social Class. If we get more dogs that need to be handled, then available staff we will do our best to share the time

Puppy Socials will consist of 2 different Classes:

Party Animal – Happy go Lucky Large Dogs & Approved Large Puppies over 30lbs

Small Dogs – Any small dogs & Approved Puppies under 30lbs

Buy a VIP (Very Important Pup) Punch Pass for \$20 and get one Social for FREE or pay \$5 at the door

calming chaos one paw at a time!
